

SARVI VS 101

(WASH ROOM CLEANER
CUM- DISINFECTANT CONC.)

PRODUCT

SARVI VS101 is a concentrated formulation for cleaning and sanitizing surfaces in the bathroom, sinks, floor and tiles, taps and shower. It has pleasant fragrance with natural surfactants and is free from chlorine-based bleaches. It can be used on hard floors and granite to removes soap scum and hard water stains from taps, tiles, shower and toilet bowl. Its unique spontaneous effect helps clean hard stains on the bathroom/toilet floor. Dries quickly without leaving any residue. Its antibacterial properties leave the toilet virtually germ free. Clean and deodorizes at the same time. The concentrated formula needs a low dosage.

Typical Characteristics:
